SHADOWS OF HISTORY
Drone Operations
May 30, 2019

For the show *SHADOWS OF HISTORY* filming at Caravan West Movie Ranch, we intend to fly an unmanned drone following two of our “cowboy” actors riding their horses across an open plain. Both of the “cowboys” are highly experienced Western actors who work with Caravan West often for themed shoots. The horses have been used for drone shots many times and are trained accordingly.

The concept is the drone is a POV of a “dragon like beast” that follows these cowboys through the desert. We have a professional drone operator, Bryce Artstew, and his assistant who are in control of the process on the day. I will be there to supervise the safety of the actors, crew and animals in use.

Sincerely,

Kurt R. Yochum
Line Producer
